

Energy Savings Conference Survey

Name _____
Organization _____
Address _____
City, State Zip _____
Phone _____
Email _____

- 1) What do you need to move forward on adopting energy efficiency or renewable energy programs?
(Particular information, resources, policies, etc.)

- 2) Would you find follow-up conference calls useful for discussing your needs and sharing information, resources, etc., to assist in meeting your needs?

- 3) Who would you like to see participate on the calls?

- 4) What topics or questions would you like covered on the calls?

- 5) Would you be interested in leading one or more, or all of the calls?

Please fill this out electronically and return. Or print and fax to 405.378.7379 or mail to:
